

# HIRING THE *Garage*

Food Truck Garage, the popular City Works Depot eatery, is available for private hire for parties, functions and events.

We offer a great environment, friendly service and delicious food, and can cater for anywhere between 50-150 people.

For groups over 50, we strongly recommend Cocktail service, as it means everyone gets to enjoy themselves while mingling in our garage!

There is no hire fee, but we do have a minimum spend to make sure we can justify closing the restaurant to the public.

On a Friday or Saturday during the peak season (Nov-Mar) the minimum spend is \$5000, and at all other times the minimum spend is \$3500.

Menus change with our restaurant menu, so you can pop into the Garage at anytime and sample the food to choose your menu.

All our packages include staff and are priced for complete venue hire.

Looking for something different? Try our mini fast food bites, with waiters handing around mini versions of our menu on trays throughout the event.

Mini items are made up of what's on our restaurant menu and monthly specials. Our most popular package and highly recommended. See the Cocktail Menu to make your selections. (Min 50 people)
